I certify that I am the Owner and/or Agent of the animal that I have brought today. I understand that any animal may have an allergic reaction to Immunization. I do not hold The Veterinary Medical Hospital of Clearwater, It's Staff or Doctors responsible in any way should an allergic reaction occurs resulting in death or additional expense. My pet is healthy and has not bitten anyone for 14 days.

A written prescription will be filled for All Patients at time of visit. After the visit a \$7.00 Administrative Fee is charged for each and every individual online prescription filled from an online pharmacy we do NOT partner with. Initial Please:

This is a well pet vaccine clinic and not for diagnosis and treatment of medical conditions or problems. If you have other concerns we will be happy to schedule a full office appointment to address them.

I hereby acknowledge that I have read the foregoing and fully understand the terms and conditions set forth.

PAYMENT IN FULL DUE AT TIME OF VISIT

Veterinary Medical Hospital of Clearwater's Vaccine Clinic Policies and Procedures:

- Thanks for choosing us to vaccinate your family member. During our Vaccine Clinic please understand we run it on a Curbside First Come First Serve Basis.
- You are required to fill out one clinic sheet per animal getting services today. Please read it carefully, initial about the underlined area, sign and date the bottom. Please let us know if you need any medications to go home today. You can write what you need on the bottom of the sheet or discuss it with an employee.
- When you called in just now your name was placed on our list. Your place in line is based on when you called today from the parking lot, and we took your basic information (what car you're in, cat or dogs, and how many are here today). WE DO NOT "TAKE RESERVATIONS" so the order you called in today is your place in line.
- Other cars may come and go around you, other people may move spots in the parking lot, but we assure the place you called in is your position in line.
- If you do want to move to a different spot in the parking lot for whatever reason, please, PLEASE, make sure you tell an employee either by calling us or flagging someone down in the parking lot.
- **IF YOU LEAVE FOR WHATEVER REASON YOUR NAME WILL BE TAKEN OFF THE LIST.**
- We know that the wait times can be long, and we are sorry for that. We are small staff and do the best we can to provide great service to you. It may take over an hour. If we have placed you on the list, we will stay until all pets have received services.
- If you need to use the restroom, please let us know. It is no problem.
- We are running Curbside more for organization and to keep things moving efficiently then keeping people apart from each other because of COVID.
- Over the course of the years we have been doing our Vaccine Clinic curbside, we have refined our system to keep things moving quickly. Due to that we are unfortunately not able to answer many questions beyond what services and products you need today. We will be happy to schedule you an appointment with the doctor to answer any medical questions you have, or if you could call back outside of Vaccine Clinic Hours and our staff can help you with any other questions you may have.

Thank You for your understanding and patience from Dr. Bendit
and all of us here at Veterinary Medical Hospital of Clearwater
